- 1) Teaching "Environmental Study and ESD" in the liberal arts curriculum.
- 2) Designing/planning and coordinating "Environmental Study and ESD" classes in the liberal arts curriculum.
- 3) Developing teaching materials for "Environmental Study and ESD" classes in the liberal arts curriculum.
- 4) Designing/planning, coordinating and teaching GS classes for undergraduates in related specialized fields.
- 5) Taking part in guidance for students in School of General Education (administrative work and institutional projects).
- 6) Teaching at College of Transdisciplinary Sciences for Innovation and teaching and research guidance at Institute of Transdisciplinary Sciences for Innovation on the additional desire of the candidate: based on these activities candidate are planned to adopt personnel interchange between College of Transdisciplinary Sciences for Innovation.

6. Qualifications:

Applicants should have:

- 1) A doctoral degree or equivalent qualifications.
- 2) Experience and confident ability to teach in English.
- 3) Experience and confident ability to teach in Japanese.
- 4) Extensive educational experiences and proven abilities in the liberal arts curriculum.

7. Application Documents:

- 1) Curriculum vitae with a recent photograph of the face, describing present address, phone number, e-mail address, academic career, research career, professional career and others.
- 2) Details of educational experiences and future aspirations at Kanazawa University (two sheets in free format).
- 3) List of research activities, including original scientific papers, book chapters, other publications, presentations in scientific meetings, awards and others.
Note that the publication list should be prepared according to the following manner;
(1) names of all the co-authors in each paper should be indicated in appearance order;
(2) the applicant's name in the list should be underlined;
(3) the responsible author(s) should be clarified, if the first author(s) is not the responsible author(s);
(4) all the papers without peer review should be clarified in the list, or separately listed;
(5) manuscript in preparation and/or under review should not be included.
- 4) Offprints of main published papers (maximum number of papers is five, hard copy is acceptable).
- 5) A description of the applicant's research interests and achievements and ambition for future research (two sheets in free format).
- 6) List of research support (time period, name of grant, title of education/research, and amount of money should be included).
- 7) Two reference persons' contact details, including their names, affiliations, official positions, contact addresses, phone numbers, and email addresses.

8. Selection Process:

After the first screening based on the application documents, short-listed candidates will be called for an interview and a teaching demonstration around September to October 2022. When an on-site interview is not feasible, an interview via the Internet is possible. Selection committee includes an academic staff from College of Transdisciplinary Sciences for Innovation, Kanazawa University.

Kanazawa University cannot provide funding for travel and accommodation expenses for the interview and teaching demonstration.

9. Application Deadline:
